

# **Appendix M**

## **Off- Site Treatment Center(s)**

## **Off Site Treatment Centers**

Currently, Garrett County Health Department has two physical locations within the county in which a variety of health-related services are provided. The locations and contact information are as follow

Garrett County Health Center Department  
1025 Memorial Drive  
Oakland, Maryland, 21550  
Phone-301-334-7770  
Fax-301-334-7771

Grantsville Outreach Center  
28 Hershberger Lane  
Grantsville, Maryland 21550  
Phone-301-895-5355  
Fax-301-746-4216

Additionally, the public school facilities in the county will be utilized as treatment locations in a post-event situation depending on the severity of the outbreak. The high-schools will serve as “mass vaccination sites” in the event of a smallpox outbreak in the county.

Lastly, utilization of the health care providers offices within the county are a resource for potential treatment centers. These offices are located in different areas in the county and are suitable for accepting small numbers of individuals for diagnosis and treatment in a disaster situation.
