

A hackathon brings together people of different backgrounds to learn, build, and create solutions.

You are invited to participate in this hackathon if you:

- Are a person who currently uses or formally used drugs, have a loved one who uses drugs, or you provide service to people who use drugs
- Identify as Black or Latinx
- Are 18 or older
- Live or work in Western Maryland
- Can attend all three days of an in-person event

Join others in brainstorming ideas and designing a campaign to help prevent opioid overdose among Black and Latinx people in Western Maryland.

HACKATHON

HELP PREVENT OPIOID OVERDOSE IN WESTERN MARYLAND

Tuesday, April 11 to Thursday, April 13, 2023

Washington County Health Department

1302 Pennsylvania Avenue

Hagerstown, MD

9:30AM-4:00PM

Meals and transportation will be provided.

At the end of the three days, each participant will get \$200.

Space is limited to 25 participants.

INTERESTED?
