

OUR MISSION

To serve Garrett County by providing effective, efficient, and culturally respectful services to individuals and families with mental health and substance abuse challenges so that each client is empowered to reach maximum potential within their community

A CONVENIENT AND AFFORDABLE BEHAVIORAL HEALTH RESOURCE

Comprehensive mental health and substance abuse services are provided by the Center. We serve Garrett County residents. Our clients are children, adolescents, adults, couples, and families. The staff consists of licensed and certified mental health and substance abuse professionals who are social workers, nurse practitioners, and professional counselors.

Core Values

Responsive, Compassionate, Respectful, Honest, Efficient, Innovative, Collaborative, Transparent, Inclusive, & Accountable

The Garrett County Health Department, by law and policy, does not permit discrimination against anyone on the basis of race, color, age, national origin, sex, religion, or handicap.

Intensive Outpatient Program

IOP stands for intensive outpatient program. It is an intensive program for persons who have a chemical addiction and are in need of services more intensive than weekly counseling, yet are better served in the community.

AFTER HOURS CRISIS SERVICES

In the event of an after hours crisis (after 5pm), please call

301-501-3515

to speak with the on call Crisis Counselor Monday-Friday.

On weekends and state holidays, a crisis counselor is available 24 hours a day by calling the same number.

988 is the Suicide & Crisis Lifeline. You can also call 911 or go to the nearest emergency room. Other messages may be left on the voice mail of our main number. Calls will be returned on the next work day.

988 SUICIDE & CRISIS
LIFELINE

There is hope.

Our Fees

Most of our services are covered by Medicaid or private insurance. A sliding fee scale is provided for qualified Maryland residents
