Community Reminders:

The Garrett County Health Department's Flu Clinic schedule is now available online, along with digital registration, to save time at clinics across Garrett County.

Learn more at: <https://garretthealth.org/flu-2024/>

Please remember to bring your insurance or coverage card. Regardless of your insurance status, there will be no out-of-pocket cost for the flu shot. However, there will be a fee for the COVID-19 vaccine if it's not covered by insurance or Medicare Part B.
